

You Can Discover an Exciting New World With Your

# Caravelle

# Camper

#### STANDARD EQUIPMENT:

- Insulated walls and ceiling
- Beautiful Poly-Clad Plywall paneling
- Formica cabinet and table tops
- Vinyl floor tile
- Genuine Naugahyde upholstery—choice of colors with matching corduroy curtains
- Large aluminum screened windows
- 50 lb. Ice box in coppertone
- 12 gal. water system with pump
- 12½"x14" unbreakable sink
- Two burner portable Coleman
- Fold-a-way table with chrome locking leg
- Easy access storage space under both seats
- Wardrobe with mirror and built-in shelves
- Large cabana with section for quality portable toilet

#### ALSO AVAILABLE:

- King size bed model

For those who desire more sleeping space we have deleted the wardrobe and made the bed full width — same price as standard model.

- Rack and ladder

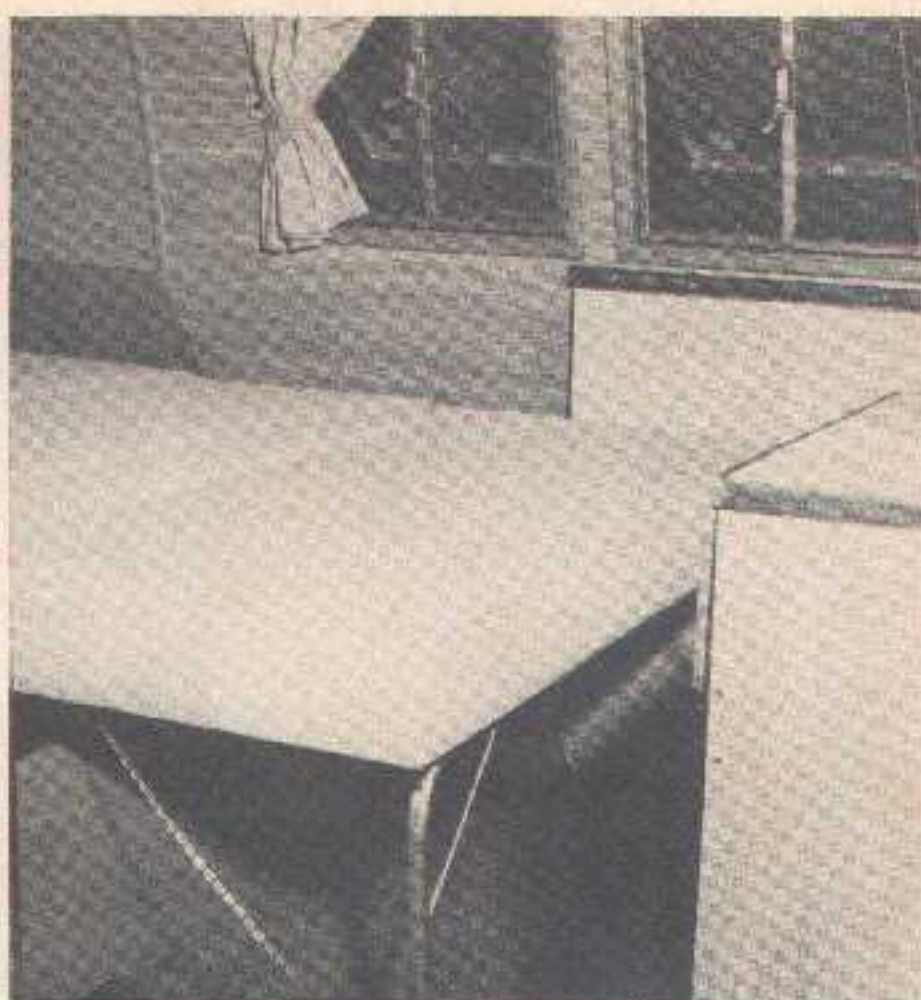

For luggage, skis, surf boards — or for observation platform — made to last — quickly detachable.

- Hammock

Made of sturdy canvass for sleeping a child in cab area — folds into small parcel — transforms front seat into double bunk.

A finely upholstered seat for your passenger's comfort.

A comfortable, roomy bed for sound sleeping—pull the curtains and snuggle down in your private bedroom.

*presto*

Right at your fingertips is this compact kitchen with table, ice box, utensil drawer, shelvedor, water pump, sink and camp stove.

It works!

Ideal for use around town as a station wagon - or for those occasional odd-shaped objects you need to haul.
